Hampshire rally Saturday night, saying the solution is a new "heroin prevention and education campaign." "I don't want to just be remembered as being on the wrong side of a mistake. I want to be on the right side of a mistake, and make sure that we learn from it. I don't

want my name to be as famous for my mistakes as it is for my triumphs," Biden said. Speaking about the federal government's role in combating the opioid epidemic, Biden made a case for more funding and investment. "I think we can do more," Biden said. "I think we can do more.

I'm not here to tell you that we should be spending more money. We should be spending more money. We need more money. I would say to my friends on the other side of the aisle, I think we can get a consensus on that, I think we can get a consensus on how we ought to be investing

more money in it. But I don't think there's a consensus on the amount of money we ought to be spending." The

System Requirements:

- You should have over 2.4GB of free space available on your hard drive. - 512MB of RAM is recommended, and 1GB of RAM is highly recommended. - We highly recommend having a 1.8 GHz Dual Core processor

with at least 3GB of RAM. - The game will also work on most laptops with 64bit systems. - The game will not work on Intel Macs. - The game may run slightly slower on Windows 8 and lower OS's. - Your web browser should
